What is VoxAid?

VoxAid

The Dragon Professional Add-on

+

=

**Enhanced
hands-free control
and use of
Assistive Technology
software**

Installs over **5000** bespoke commands into Dragon Professional

VoxAid

The Dragon Professional Add-on

Installs over **5000** bespoke commands into Dragon Professional
Dictate naturally speaking commands

**Who, and how
does VoxAid
benefit?**

Physical Disability

"I want to use Glean but note taking is too difficult with limited hand function."

VoxAid benefits:

- Remove access barriers to enable the use of assistive technologies that align to a student's learning styles and preferences

Cognitive Load

"I want to reduce those micro steps required to perform my tasks"

VoxAid benefits:

- Reduce mental stress
- Reduce anxiety
- Specific Learning Differences SpLD

Musculoskeletal

"My keyboard and mouse skills are limited due to Repetitive Strain Injury"

VoxAid benefits:

- Reduce use of the keyboard
- Reduce mouse movement
- Reduce fatigue

Low Memory Retention

"I often forget where functions are situated in the menus"

Benefits:

- No need for aimlessly searching menus
- No need to remember keyboard shortcuts
- Dictate naturally speaking commands
- Reduce frustration

Increase Productivity

“Keyboard shortcuts are great! But how can I remember those keyboard keys combinations?”

VoxAid helps you to:

- Perform repetitive tasks easily
- Perform software functions quickly
- Increase efficiency
- Save valuable time
