

Qualified and now looking for work?

How do you talk
with employers
about your
disability?

Looking for work?

Find the job
or trade to
match your
qualification.

Ready for work?

Design your
pathway with an
experienced
employment
consultant.

So what does TSEP do?

We help access employment opportunities that match your individual skillset and qualification.

Our free on-campus employment services can assist in sharpening your resume, improving interview skills and building confidence to discuss your disability with employers.

Find out how an experienced disability consultant can help transform your career!
