## Supporting neurodiverse students with conditions such as Dyslexia, ADHD, ASC and Anxiety

### Revise for Exams Your Way With Lernabl

Personalised study tools tailored to  
your unique learning needs

#### What is Lernabl?

Lernabl is an assistive technology exam preparation and study platform purposefully designed to assist disabled students. With multiple study methods and tools tailored to meet the needs of diverse learners.

#### How does it work?

Lernabl provides engaging tools that let students customise their study sessions by focusing on areas like memory, focus, and comprehension. It utilises gamification to make studying more interactive and enjoyable.
