Testimonials

*Joanne from my school loved the part of the program she was able to complete and looks forward to joining it again next year so she can complete it in its entirety. From my perspective, I think it was a fantastic initiative and one of the most useful and effective programs I have seen as a readiness tool for tertiary, work experience and employment. **Lee McLeod, Careers Advisor – Timboon P-12 School***

*I have heard nothing but praise for the P2E Warrnambool program. I hope to have 3 students attend in 2016 and Emmanuel College will be happy to cover the \$100 pp cost. A support staff member will also be available for the students. I look forward to next year and the P2E program! **Sharon Lenehan, Learning Support Coordinator Emmanuel College, Warrnambool***

Testimonials

Although my son is non-communicative due to his disability (Autism), he was the happiest I have ever seen him on a Wednesday afternoon.

He basically jumped out of bed on Wednesday mornings, and was always happy to go to TAFE!

*It gave my son something to look forward to and I thank you from the bottom of my heart for giving him this experience. **P2E Parent, Portland***

Thankyou for listening – any questions??
